## LES SURFACES DOIVENT ÊTRE EXEMPTES D'IMPURETÉS ET MARQUES DE PLIAGES

— 71 [1803] —

Technical drawing showing a rectangular component with the following dimensions:

- Top width: 5/8 [15]
- Bottom width: 7/16 [11]
- Total height: 1 1/2 [38]
- Central hole diameter: 5/16 [8]

DETAIL A  
SCALE 1 / 4

A diagram of a vertical rectangular coil labeled 'A' at the top. A blue arrow on the left indicates a clockwise direction of current flow around the coil.

# MISE A PLAT SENS DU GRAVITÉ

The diagram illustrates a cross-section of a wooden board. A vertical line on the left indicates a height of 8 3/4 inches. The board's surface is marked with a dashed horizontal line representing the grain direction. The grain is shown as a series of small circles pointing generally upwards and to the right. A red double-headed arrow is placed below the grain line, centered on the board, with the text "MISE A PLAT SENS DU GRAIN" written above it in red capital letters.
